

Oxenhope CC have a vacancy for a Level 2 coach to run sessions for U9 players on Friday Nights.

The session is for 2 hours nominally between 6pm & 8pm and will run from the 5<sup>th</sup> April for 12 weeks initially. At present we are not entering teams in under 9 competitions but may arrange some friendlies this season with a view to re-entering competitive cricket in 2020. We currently have teams in U11 & U13 competitive cricket.

The position, which is remunerated, would be ideally suited to someone who having qualified as a L2 coach is looking for practical experience to supplement their training, we anticipate having parental support at the sessions.
